For more information and training resources, please see the BearBUY website.

⚠ IMPORTANT THINGS TO KNOW BEFORE YOU PROCEED... ⚠

Use this form for:
● Services (quoted, independent contractor, software, cloud services, and/or restricted) and any associated goods.

Do NOT use this form for:
● Recurring rental expenses.
● Goods and associated services.

You do NOT need to fill out the bottom sections (Price Rationale and Source Justification) of this form if:
● The order is less than $10,000.
● A contracted supplier is used.

Need to place an order that exceeds $10,000 or have an order that falls under the Special Considerations category? Consult with a Buyer, PRIOR to completing your order.

Still unsure? Check out the “What Form Should I Use?” page for assistance.

After selecting your supplier, check to see if there is an existing contract to add to your form by selecting select contract...

Existing Contracts:
● The fastest procurement option is to use an existing contract. To see a list of potential contracts: UCB BearBuy Contracts Module. For access to UCOP’s CalUSource systemwide contracts, contact your Buyer.
● If the supplier has an existing agreement in Bear Buy, click on “SELECT CONTRACT...” to associate it to the order.
